

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

I don't want any more media consolidation.

In Albuquerque, we have 2 major chains controlling most of the airwaves. There is virtually no local news or commentary. We have only right-wing wacko syndicated talk shows.

As a small businessman I have no media outlet to advertise on. Philosophically I can not advertise on the propaganda mouthpieces. Business wise, my market is not the folks that listen to the right-wing crap!

The cost of cable has gone up more than 120% since the deregulation.

NO MORE CONSOLIDATION!!!!!!!!!!!!!!
